PETITION FOR REVIVAL OF APPLICATION 27 CFR 1.137(a)

Attn: Office of Petitions
Commissioner for Patents
Box DAC
Washington, D.C. 20231

Sir:

Applicant requests revival of the above noted application.

A Notice of Abandonment made of record on April 17, 2002, stated that applicant failed to timely file a reply to the Office action dated September 10, 2001, and that a reply was received on January 7, 2002.

Applicant mailed via U.S. mail a response to the Office action of September 10, 2001, on October 24, 2001. The Amendment is a complete response to the Office action. This Amendment was received in the U.S. Patent and Trademark Office on January 7, 2002. The Amendment was delayed in the U.S. mail to the Commissioner of Patents for 74 days.

A Petition for Extension of Time and \$55 fee were filed in the U.S. Patent and Trademark Office with a Certificate of Mailing (Exhibit 1). The Petition requested a one (1) month extension of time to respond to the Office action of September 10, 2001. The Petition extended the time to respond to the Office action of September 10, 2001, to January 10, 2002. Applicant

filed a Request to Withdraw Abandonment on May 1, 2002 (Exhibit 2). There has been no response to the Request to Withdraw Abandonment.

Applicant submits that the Amendment filed January 7, 2002, is responsive to the Office action of September 10, 2001, and is timely in view of the Petition to extend the time to respond to this Office action.

The entire delay for failure of the Amendment to be recorded in the U.S. Patent and Trademark Office was due to the protection procedures of the U.S. Postal Service for U.S. mail to Washington, D.C. This delay was not anticipated by applicant. The abandonment of the application was unavoidable and unintentional.

Applicant requests that this application be revived as the Amendment filed January 7, 2002, was timely in view of the Petition for Extension of Time to respond to the Office action of September 10, 2001.

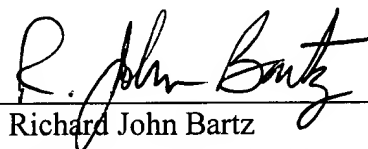

Applicant is an individual inventor claiming small entity status.

A petition fee of \$55 is enclosed.

Respectfully submitted,

JOHN J. MUELLER
